

ERIE CANAL PUMPOUT MAP

Environmental Facilities Corporation

The New York State Canal System is an EPA disingated *No Discharge Area*. The discharge of treated and untreated sewage from boats' holding tank (gray water excluded) is prohibited. Failure to comply can result in fines. Find clean boating/clean marina, pollution prevention resources, maps at <http://www.goingcoastal.org>

Map Key:

- 0 Pumpout Station
- Pumpout Boat
- Waterbody
- Town

This map is not for navigation, but for information only.
