

# 2016 HUDSON RIVER PUMPOUTS

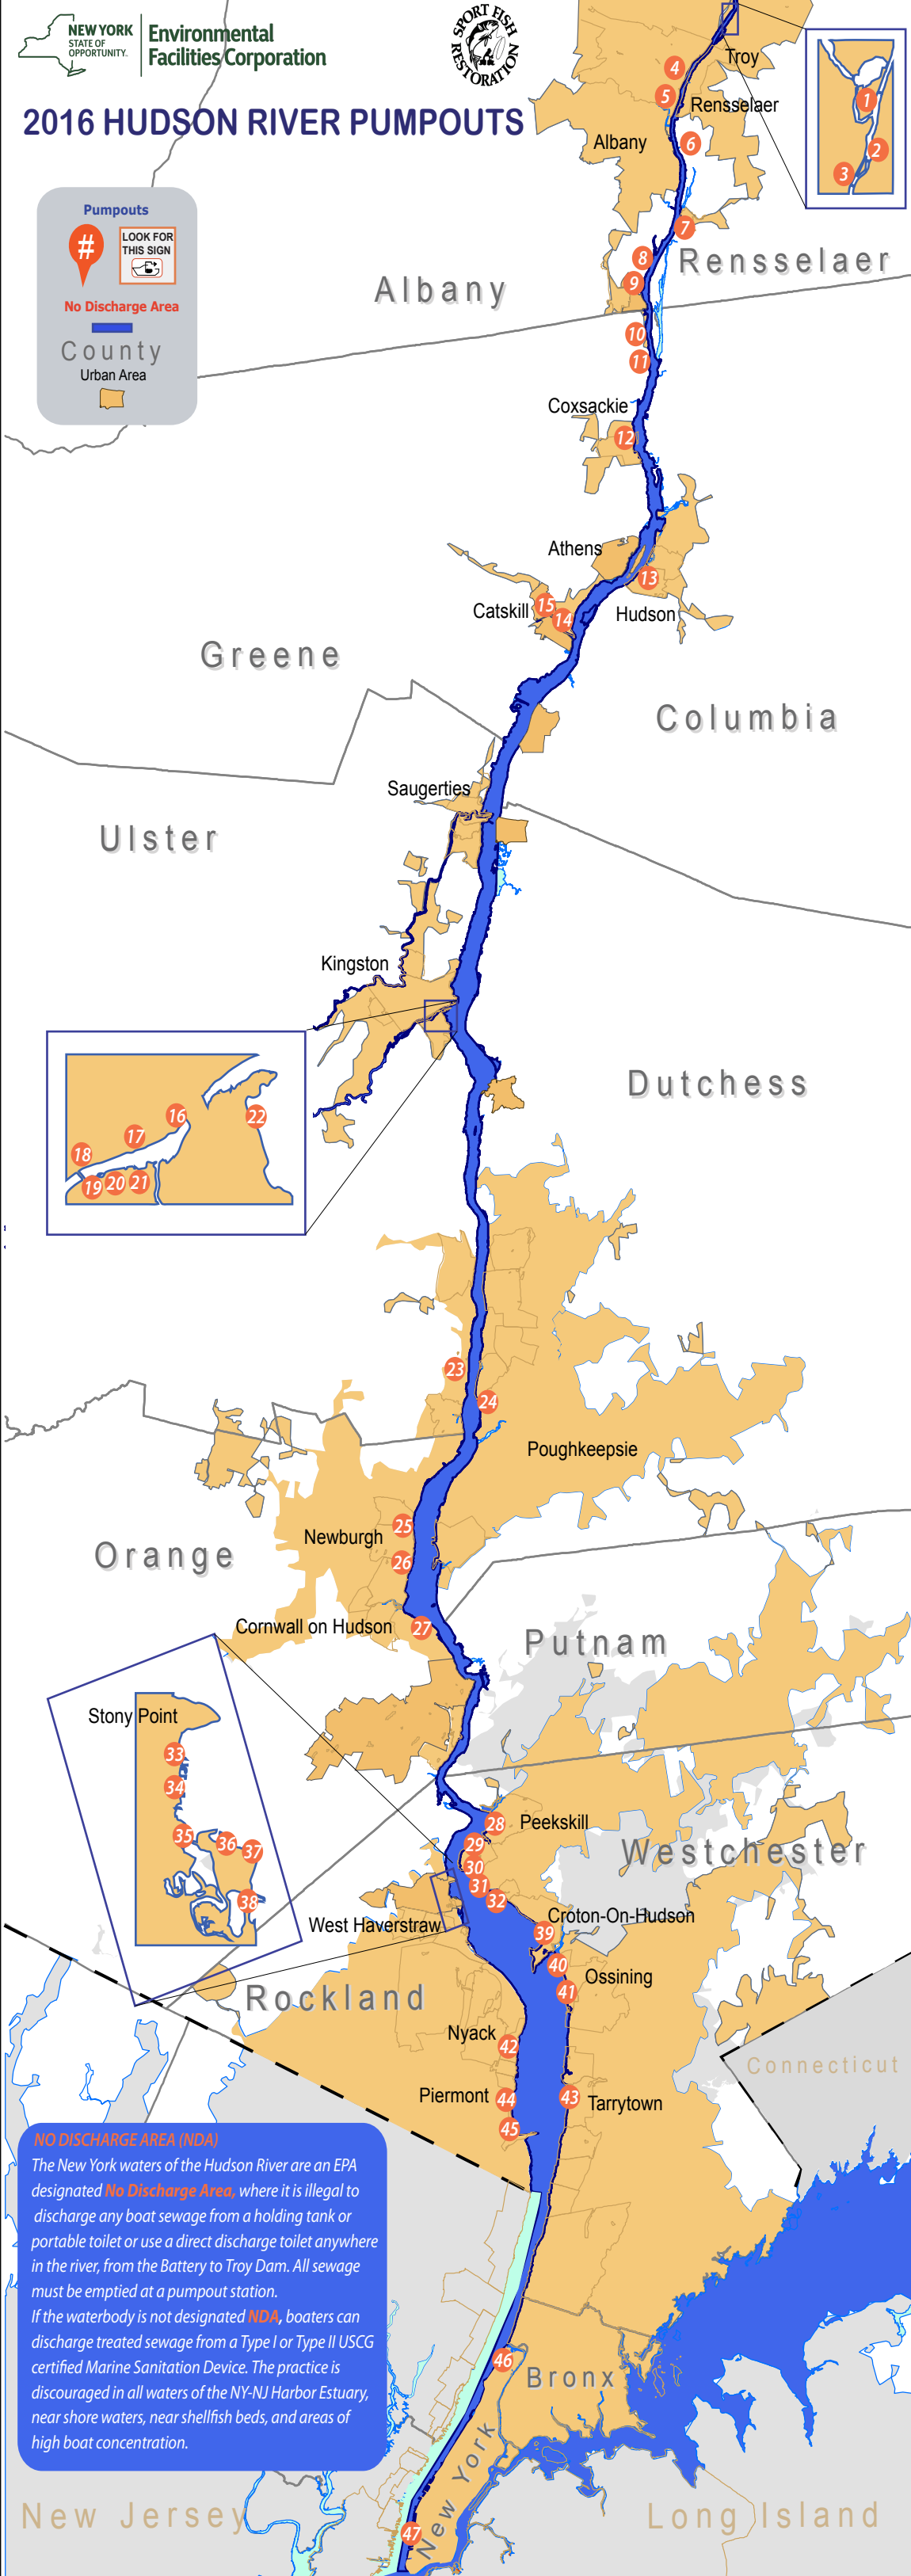

**Pumpouts**

# LOOK FOR THIS SIGN

No Discharge Area

County

Urban Area

**NO DISCHARGE AREA (NDA)**  
 The New York waters of the Hudson River are an EPA designated **No Discharge Area**, where it is illegal to discharge any boat sewage from a holding tank or portable toilet or use a direct discharge toilet anywhere in the river, from the Battery to Troy Dam. All sewage must be emptied at a pumpout station.  
 If the waterbody is not designated **NDA**, boaters can discharge treated sewage from a Type I or Type II USCG certified Marine Sanitation Device. The practice is discouraged in all waters of the NY-NJ Harbor Estuary, near shore waters, near shellfish beds, and areas of high boat concentration.
