Going Coastal

LONG ISLAND PUMPOUT MAP

KEEP OUR WATERS CLEAN, USE PUMPOUTS

- Pumpout Facility
- Pumpout Boat
- No Discharge Zone

NO DISCHARGE ZONE (NDZ): Federal and local laws ban the release of untreated sewage into any U.S. waters. **NDZ** are waters designated by the EPA where even chemically or electrically treated waste from a boats' holding tank is prohibited from being dumped overboard.

Going Coastal is a grassroots nonprofit dedicated to connecting people to coastal resources through public education, outreach programs and publishing. Other Pumpout Maps: NY Harbor, Hudson River & Erie Canal.

Remember our waterways belong to everyone. Coastal Commons is a growing network of boaters, marinas, boatyards, boating clubs and water-enthusiasts and programs dedicated to the protection of public waterfront access and clean, safe waterways.
